EVENT DESCRIPTION

This session is organised in conjunction with the release of Bank Negara Malaysia's (BNM) flagship publications, Annual Report 2023 (AR 2023), Economic and Monetary Review 2023 (EMR 2023) and Financial Stability Review for Second Half of 2023 (FSR 2H 2023). The AR 2023 outlines BNM's roles and functions and how it discharges its mandates. The EMR 2023 sets out BNM's economic assessments and forecasts, while the FSR 2H 2023 offers a detailed and analytical assessment of financial stability risks and the financial system's resilience.
